

To Whom it May Concern:

I highly recommend Renee Bynum as a candidate for employment. Renee is employed by CSA Head Start from 2004-2012. Renee was responsible for a number of responsibilities that included mental health, disabilities and teaching of preschool children and their families. She provided education and assistance with parenting skills, behavioral support and plans for teaching staff and parents along with providing a curriculum that enabled academic success of her students.

Renee has excellent communication skills. In addition, she is extremely organized, reliable and computer literate. Renee can work independently and is able to follow through to ensure that the job gets done. She is flexible and willing to work on any project that is assigned to her. Renee was quick to volunteer to assist in other areas of company operations, as well.

Renee would be a tremendous asset for your company and has my highest recommendation. If you have any further questions with regard to her background or qualifications, please do not hesitate to call me.

Sincerely,
