

RE: Renee Bynum

April 10, 2012

To Whom It May Concern:

I strongly recommend my colleague, Renee Bynum, for employment. I have had the pleasure of working alongside her for 5 years in the Head Start teaching and mental health departments, where she has been entrusted with a great deal of responsibility.

I have had the opportunity to observe Renee's professional skills as well as interpersonal style. She is consistently pleasant, and takes on all assignments with enthusiasm and dedication. I wish that all my co-workers had his attitude.

Regardless of deadlines or other pressure, Renee always delivers. Her superior organizational skills make her the consummate multi-tasker.

While I will surely miss seeing Renee around the office and in the classroom, she hopes to begin entering the mental health field as she finishes her master's degree and seeks licensure as a marriage and family therapist.

Sincerely,
